

HEATING AND COOLING FLOOD RELIEF INCENTIVE APPLICATION

Please complete all sections. Equipment must be purchased and installed between August 17, 2018 and March 1, 2019, and applications submitted within 60 days of installation (no later than April 1, 2019). Incentives are available for equipment installed in select ZIP codes. For an electronic copy of this form, visit focusonenergy.com/homefloodrelief. Focus on Energy incentives are limited and are subject to change without notice. Incomplete applications will delay processing and receipt of an incentive. Visit focusonenergy.com/terms for program terms and conditions.

Step 1: Confirm your eligibility

Verify that you are eligible for this incentive. Check that you are in one of the 18 designated counties and that your ZIP code is on the eligible ZIP code list. Visit focusonenergy.com/homefloodrelief to view eligible ZIP codes.

Step 2: Complete your application

Please fill out all fields unless otherwise directed, and make sure to sign your application. Incomplete or missing information will delay processing.

WHAT YOU'LL NEED:

- A copy of your sales receipt/invoice indicating model number, purchase/installation date and price.
- A copy of your AHRI Certificate (if required).

Step 3: Submit paperwork

Submit the application along with supporting documentation to Focus on Energy at the address below. Please allow 8–10 weeks for processing and retain a copy for your records.
