

Residential Rewards and Enhanced Rewards Program
Smart Thermostat
Qualifying Products List
August 1, 2015

SMART THERMOSTAT

Requirements for Smart Thermostat Reward:

- **Limited to customers of We Energies and Wisconsin Public Service.** If the participating customer receives energy services from another utility in addition to We Energies or WPS, that utility must also participate in Focus on Energy for the customer to qualify for the smart thermostat reward.
- Must replace an existing thermostat that does not qualify for program rewards
- Thermostat must be Wi-Fi capable
- Thermostat must be connected to the internet
- Thermostat must feature integrated occupancy-sensing capability, such as motion sensors and/or geofencing with setback
- Thermostat must offer the above features without additional devices
- Application or connectivity service must be free of charge

Residential Rewards Cash-Back Reward: \$100

Note: Enhanced Rewards customers can apply for the \$100 reward using the Residential Rewards application. No income verification is required.

The following models have been verified as eligible for this reward. Additional requirements apply. Please visit focusonenergy.com/smart for complete details and to verify eligibility.
