

DIAL IN THE COMFORT

Save \$250 on a smart tune-up bundle.

Tuning up your heating and cooling system is a must if you want to enjoy everyday comfort and energy savings. Add a smart thermostat to the mix and you can take your comfort even further. For a limited time, get a \$250 incentive when you do both at once.

Heating and cooling tune-up + smart thermostat

Have confidence in your heating and cooling system.

Control temperature settings remotely from anywhere.

Get extra savings as thermostat adjusts to your preferences.

Eligibility. This limited-time offer is good for one furnace, furnace A/C or boiler tune-up, plus installation of an ENERGY STAR® certified smart thermostat. Incentive not to exceed total cost of smart tune-up bundle. It is available only to customers in participating utility territories. Please speak with your Trade Ally contractor to confirm eligibility.
