

Qualifying Smart Thermostats for Businesses

Updated January 2020

Smart thermostats must be the qualified products list below, or be listed as an ENERGY STAR® Connected Thermostat.

The intent is that the thermostat includes additional capability beyond basic programmable schedules with Wi-Fi connectivity, such as an integrated occupancy sensor capability, geo-fencing with setback, or learning algorithms.

Company Name	Brand Name / Model
Allure Energy Inc	Allure Energy / Eversense
Bryant Electric Company	Bryant / SYSTXBBECC01
Carrier Corporation	Carrier / SYSTXCCITC01
