

ENROLL TODAY

SAVE ENERGY AND MONEY TOMORROW

Oak Creek, WI
BEGINS April 5, 2018

Building Operator Certification (BOC) is a nationally recognized, award-winning training program that offers facilities personnel the knowledge and skills to succeed in their careers.

With a combination of hands-on and classroom training, BOC delivers immediate results and long-term savings that benefit operators, owners and occupants.

- Enhance your job skills and competitiveness—over 50% of BOC graduates report increases both in job responsibilities and compensation.
- Improve the comfort and safety of your building occupants through increased communication and implementation of practical no-cost and low-cost solutions.
- Tuition reimbursements may be available through participating utilities.

COURSE LOCATION

Milwaukee Area Technical College
6665 South Howell Avenue
ECAM Building
